

Air Conditioning and Ventilation Outage Notice

Location: Humanities Instructional Building – Building #610

Disruption/Outage: Air Conditioning and Ventilation Outage

Date: Friday, December 13, through Wednesday, December 25, 2024.

Duration: Scheduled to begin at 6 p.m. on Friday, December 13, and last for approximately 12 days, ending at approximately 5 p.m. on Wednesday, December 25.

Details: Facilities Management in coordination with Administration and School of Humanities, is replacing one air handler on the roof of Humanities Instructional Building. During this time, air conditioning and ventilation will not be available in the building. Considering the lack of ventilation, remote work is encouraged.

- **Crane work is scheduled for Monday, Dec 16. Access to building will be limited till 12 pm.**
- Users may have access to offices on temporary basis during construction.
- Ventilation in Lecture Hall and Classroom on first floor and visual labs in basement will not be impacted.

* We use South Coast Air Quality Management District (SCAQMD) compliant low-VOC materials (e.g., paints, sealants, etc.). For any health concerns, please contact Environmental Health and Safety at x4-6200

We appreciate your cooperation and apologize for any inconvenience this may cause. If you have any questions or concerns, please contact Facilities Project Manager, Amir Anvarhosseini, at 949-343-5375 (cell) or aanvarho@uci.edu.

Cc: Building Facility Manager (please route to appropriate MSO/affected faculty and/or staff)
