Facilities Management

DEMOLITION / ASBESTOS ABATEMENT

Location: Rowland Hall, 4th Floor – Building #400

Disruption: Demolition Noise and Dust (Corridor near elevator)

Date: Friday, May 29, 2026 through Sunday, May 31, 2026

Duration: Scheduled to begin daily at 10:00pm, lasting approximately 8.5 hours, ending at approximately 6:30am.

Details: A planned project which involves asbestos work is scheduled to take place in your building. As part of our ongoing commitment to maintaining a safe and healthy environment, our Facilities and Environmental Health & Safety (EH&S) teams have thoroughly reviewed the project specifics. The project will be performed and monitored by **asbestos abatement professionals**.

This is a **standard, well-regulated process** — there is no immediate health risk to building occupants, and all work will be performed by licensed professionals following strict federal, state, and local safety regulations.

* We use South Coast Air Quality Management District (SCAQMD) compliant low-VOC materials (e.g., paints, sealants, etc.). For any health concerns, please contact Environmental Health & Safety at x4-6200.

We appreciate your cooperation and apologize for any inconvenience this may cause. If you have any questions or concerns, please contact Facilities Management Project Manager, Craig Denney, at 949-812-0215 or cdenney@uci.edu

CC: Building Facility Manager (please route to appropriate MSO/affected faculty and/or staff)
